Rates are subject to change at any time. The Annual Percentage Yields given above are based on the assumption that dividends will remain on deposit until maturity. Any type of interest withdrawal will reduce earnings. Please refer to the Business Fee Schedule or uvacreditunion.org for additional account information.

¹ Certificate Accounts: We may impose a penalty if you withdraw any of the principal before the maturity date, or the renewal date, if this is a renewal account. The penalty for early withdrawal is as follows: 45 day dividend loss if the maturity term is 3 months, 90 day dividend loss if the maturity term is one year or less, 180 day dividend loss if the maturity term is more than one year.

² Members may choose to have dividends credited to a related sub-account on a monthly basis.

³ APY for this tier is calculated up to a balance of \$1 million.
