- 1 No maintenance fee charged during the first month the account is opened.
- 2 Earnings credit rate is based on the average of the weekly auctions of the 91-day Treasury bill during the previous month. The earnings credit will be calculated on the daily collected balance of the account and will be used to offset monthly account maintenance and service fees. Any earnings credit amount which exceeds the amount of fees for the current month will not carry over to subsequent months.
- 3 No charge with at least one bill sent every two calendar months, otherwise a \$10.00/month fee applies.
- 4 Subject to application and credit approval.
